

Family Emergency Contact Card

Print, fill in, fold, and put one in every backpack, wallet and glovebox. Ready.gov's family plan asks for exactly these lines: two meeting points, one out-of-state contact, and the numbers a child can show to an adult. Two cards per sheet.

My name		Home address	
Parent / guardian cell		Second adult cell	
OUT-OF-STATE CONTACT (text first)		Their number	
Meeting point 1 (near home, exact spot)		Meeting point 2 (outside neighborhood)	
School / daycare emergency line		Doctor / pharmacy	
Medical alert / allergies		Pet(s) and who takes them	
Utility shutoffs (gas / water / power)		Insurance policy # and claims line	

If separated: text the out-of-state contact, then go to meeting point 1. Do not call unless a text fails. Dated: _____
